Employer/School District and Current Position:

Membership Categories and Dues:

_____ Regular Membership - \$60

A person who meets the Idaho requirements for the position of school social worker and is actively employed by a public or private school or state education agency; or a person who meets the requirements for certification for school social work but is employed as an administrator or supervisor; or a faculty member involved in school social work instruction or supervision.

_____ Associate Membership - \$30

A person who meets all or any of the qualifications of a Regular Member but is working less than full time (includes retired, not working or not currently working in a school setting) and/or a person who does not meet the Idaho requirements for the position of school social worker but who has a bachelors (BSW) or masters degree in social work (MSW) and provides services to children in a school setting (i.e., CRW's, CBRS workers, BI's, etc.).

_____ Student Membership - \$30

A person who is a BSW or MSW student enrolled in an accredited college or university program.
